

Daily Notes

- Watch Governor Burgum's update at 4 PM (CST) Monday through Saturday. This can be viewed on local news stations or on the NDDoH social media feeds.
- Check back often to the CDC and NDDoH websites for updates.
- Remember to take care of yourself and each other as providers. You can't take care of others without taking care of yourself first.
- Keep in mind the ND Critical Incident Stress Management team is still available should the need arise during this time of crisis. See the link below.
- Please share our information and your expertise with Law Enforcement, Fire and other responders who may not get updates and who could encounter ill persons.
- Continue with daily screening and monitoring of your team.
- Please try to save any pump hand sanitizer dispensers you may have. We anticipate having hand sanitizer but limited dispensers.

New and Current Guidance/Items of Interest

- Seattle Fire Department has produced a video on COVID-19 response. It includes some good ideas for limiting exposure to personnel and equipment.
